

High School Mission Day

- ⇒ In lieu of our high school mission trip this summer, we will be holding a high-school mission day through Jordan River Farm to Hopkins Park.
- ⇒ Our service day will be July 24, 2021, with a pre-trip meeting to learn more about Catholic Social Teaching and prepare for our day of service the week before.
- ⇒ Cost: \$40 which includes meals, a tshirt, and the service experience.
- ⇒ Depending on Covid restrictions, parents may need to transport their own children to and from the service site.
- ⇒ Participants will be expected to wear masks but accommodations will be made for safe eating and breaks as necessary.
- ⇒ We are looking for adult volunteers to help supervise the high school students on the trip.

⇒ Contact Dianne Rostollan at drostollan@smip.org with questions or to register.

Mission Day 2021 Registration Form
